**INTERNATIONAL BESTSELLER *FISHER OF MEN BIBLE*
NOW AVAILABLE IN ENGLISH, FEATURES CSB TRANSLATION
GENERAL EDITOR, DR. LUIS ÁNGEL DÍAZ-PÁBON, TOURING U.S. THIS SUMMER**

Nashville, TN — The best-selling *Biblia Del Pescador* was initially available in its original RVR 1960 Spanish edition in 2013, then published in Portuguese a year later. These editions have been warmly embraced across North and South America by Bible readers, selling more than 700,000 copies to date. Now for the first time, an English edition will release July 1, 2018, featuring the CSB translation. ***The CSB Fisher of Men Bible*** will be introduced by Dr. Luis Ángel Díaz-Pabón, general editor across all translations, as he tours the U.S. this summer and speaks at numerous Christian conferences and evangelistic events.

"I am so excited to share ***The CSB Fisher of Men Bible*** in English," Dr. Pabón comments. "The CSB translation is an ideal fit – easy to understand yet trustworthy. I pray that the tools offered alongside scripture will help many more share the Good News of Jesus Christ. Every Christian is invited to become a Fisher of Men."

The CSB Fisher of Men Bible features the same popular study helps Dr. Pabón developed for the Spanish and Portuguese editions, including:

- A 28-page guide highlighting six main themes within scripture: Counseling, Devotion, Evangelism, Church, Christian Doctrine, and Apologetics.
- Each main theme is broken into sub-topics, which are further broken down into specific statements and supported by a chain of scriptures (usually 4-5 Bible verses per chain). Each verse is accompanied by a short commentary in context with the main theme being studied.

The CSB Fisher of Men Bible is accessible at a variety of price points and bindings, including LeatherTouch, hardcover and paperback formats.

"Many resources begin in English and are then translated and adapted for use in countries and contexts where other languages are spoken," offers Trevin Wax, Bible and Reference Publisher, LifeWay Christian Resources. "***The CSB Fisher of Men Bible*** is unique in that God has used this resource abundantly in Spanish and Portuguese for five years now, and we are excited to introduce it to the church in countries where English is spoken. God is at work in churches all around the world, and it is a privilege to learn from brothers and sisters who are passionate about reaching people with the good news of Jesus Christ."

Dr. Luis Ángel Díaz-Pabón is president of the Global Missionary Society and leads several ministries including La Capilla del Rey (The King's Chapel), a church in Miami, Florida. Born into a Christian family, he accepted Christ as a teenager in New York City and later began his work as an evangelist in Puerto Rico. His evangelistic crusades have drawn as many as 60,000 people in a single night.
