

Praise for *Moments 'til Midnight* by Brent Crowe

In *Moments 'til Midnight*, Brent draws some practical and powerful lessons for students today from the life of the apostle Paul, who is by any measure one of the most influential people of all time. This book has a wonderful balance of stories, theology, and practical wisdom. As soon as it is out, I want a copy for my own teenage son.

--Sean McDowell, author, apologist, Assistant Professor of Apologetics, Biola University

Brent's book *Moments 'til Midnight* provides a fresh perspective on one of the most fascinating leaders ever to live, the apostle Paul. The book is a powerful reminder that all of us, just like Paul, are simply trying to live and lead well. *Moments 'til Midnight* helps our "want to" become our "how to," so that we can live each day with purpose and with a sacred sense of intentionality to redeem every moment on the journey.

--Brad Lomenick, founder of Blinc, author of *H3 Leadership* and *The Catalyst Leader*

Considering what the last hours of the apostle Paul's life might have been like, *Moments 'til Midnight* takes us through his life, theology, and passions. Biblically faithful and practically helpful, I read the book in a single day, anticipating the next chapter. Brent Crowe has a gift for writing, and it is on full display in this gem.

--Daniel L. Akin, President, Southeastern Baptist Theological Seminary

Brent Crowe never ceases to challenge me! His framework in *Moments 'til Midnight* captures a redemptive imagination that stirs my heart to consider how I would spend my last 12 hours in this side of eternity. This motivates me to remain steadfast in living on mission for God's glory now, so I could perhaps have dear fellowship with my Saviour in my closing hours as we assume our brother Paul did.

--D.A Horton, Author, Lead Pastor of Reach Fellowship, a church plant in North Long Beach, CA

The pages of this book are filled with fresh and relevant truths that I will carry with me for years to come. It will encourage you to let your own life mirror Paul's unwilling-ness to relent in sharing the gospel, no matter the situation. *Moments 'til Midnight* is thought-provoking, filled with wisdom, and gives us the timely message that as believers in Jesus, this world is not our home.

--Bethany Barr Phillips, worship leader

Brent Crowe writes from a unique perspective. His use of visual imagery and strong theology resonates in my heart as I empathize with Paul in his last few hours. With themes like grace, redemption, transformation, and forgiveness, I found myself, my story throughout its pages. And where I didn't find myself and wish I would have, it inspired me to press on and endure. You will find your story somewhere in the pages of this book, and Brent's writing will inspire you and encourage you in taking the next step on your journey with Jesus.

--Matt Roberson, Lead Pastor, The Met Church in Houston, Texas

Moments 'til Midnight is more than a captivating title; it is a calling to have a captivating testimony. Dr. Brent Crowe has done it once more with yet another resource that inspires us all on our Jesus journey to make our life count, not just through daily moments but divine moments. Counting the cost begins with knowing we are not promised tomorrow; therefore, don't do tomorrow what God has told you to do today.

--Ed Newton, Pastor Community Bible Church in San Antonio, Texas

I'm a huge fan of the apostle Paul and now a huge fan of Brent Crowe's writing. In *Moments 'til Midnight*, Crowe paints a picture of Paul's life and final hours that deeply impacted me – and I'm convinced it will impact you too. Packed with biblical insights and practical takeaways, this book is a must-read for anyone who wants to, like the great apostle, live a life for the glory of God and the exponential advancement of his kingdom. Sir Francis Bacon once said, "Some books are to be tasted, others to be swallowed, and some few to be chewed and digested." Devour, digest and enjoy this wonderfully powerful book.
