Fearless: Imagine Your Life Without Fear Max Lucado

Thomas Nelson, \$24.99 (240p) ISBN 978-0-8499-2139-1

Lucado, called by some “America's pastor,” offers his faithful base a timely primer on living fearlessly. The author, whose sales exceed 65 million books, provides those within the Christian faith (and without) an inspirational can-do appropriate for the turbulent times Americans are facing. Citing key common fears—violence, overwhelming challenges, sickness and other worst-case scenarios—Lucado offers welcome wisdom about those solely internal battles individuals face daily. People are afraid their lives don't matter; they're afraid of disappointing God; they're afraid of an afterlife; and they're even afraid God is not real, Lucado says. **Skillful as a surgeon, he discerns and identifies the cancer of fear that touches every human being, and with like precision speaks healing words that cut right the heart.** While there exists no fast fix or simple cure for the fear-bound individual, Lucado's tempered counsel and faith-driven remedies will offer day-by-day spiritual medicine of the most potent kind.
