

Advance Praise for
My Story, My Song: Mother-Daughter Reflections on Life and Faith
By Lucimarian Roberts, as told to Missy Buchanan
With reflections from Robin Roberts

This book is a beam of light, just like the author herself. So much hope and healing and a song to lift up every heart. In these pages, the wonderful Robin Roberts and her mother have a conversation that will make every mother and daughter smile. And I promise you, if there is ever an eclipse of the sun, no one will notice it if Lucimarian is around. She brings all things bright and beautiful into the room.

--Diane Sawyer, Emmy Award-winning journalist

Being the daughter of a phenomenal mother, I know Robin Roberts became who she is because she is the daughter of Lucimarian Roberts. This book must be read by every woman who wants to raise a daughter who dares to face life fully with enthusiasm and an adventurous spirit.

--Dr. Maya Angelou, poet and best-selling author

I have always believed in the power of music, and when you put that together with a good story, I am hooked! Thank you to Lucimarian Roberts for sharing her life's journey with us. And, oh, what a story-- growing up with an alcoholic father, dealing with racial prejudice, raising four children, and married for fifty-seven years to a Tuskegee Airman! This story is an inspiring and poignant example of what really matters in life.

--Gayle King, editor-at-large, The Oprah Magazine
