

The *CSB Disciple's Study Bible* Focuses on Developing a Closer Walk with Jesus

Pastor Robby Gallaty Passionately Equips Believers to Disciple Others

Nashville, Tenn. – One of the great blessings of being a Christian is the opportunity to help make other disciples. Choosing to study the Bible in order to be able to lead and teach could be the best decision a believer could make, according to Pastor Robby Gallaty.

As Senior Pastor of Long Hollow Baptist Church in Hendersonville, TN, as well as chairman of the Southern Baptist Convention's Discipleship Task Force, Gallaty and his team at Replicate Ministries have created a new study Bible to guide an individual's journey to following Jesus with greater intimacy. The *CSB Disciple's Study Bible* features discipleship-themed study notes, as well as tools and resources that equip Christians for deeper intimacy with Jesus and more strategic discipling of others, one of Gallaty's greatest passions.

Included is the Foundations 260 Reading Plan (F260), featuring 260 concise daily readings with commentary from Gallaty, and ample page space to engage the text and complete the proven H.E.A.R journaling method (*Highlight-Explain-Apply-Respond*). With additional articles on discipleship from the team at Replicate Ministries, the *CSB Disciple's Study Bible* will help foster engagement and practical application of God's Word in the life of a disciple on a daily basis.

After failed attempts of reading through the Bible in a year with previous discipleship groups, Gallaty wanted a manageable plan that believers who never read through the Bible before could complete. Using the Foundations 260 Reading Plan in the *CSB Disciple's Study Bible*, readers are guided to read 1 or 2 chapters a day for 5 days each week, with an allowance for weekends off.

Features of the *CSB Disciple's Study Bible* include:

- Foundations 260 Reading Plan
- H.E.A.R. journaling method
- Discipleship-themed study notes from the team at Replicate Ministries
- Book introductions featuring timelines, outlines, and contribution to the Bible
- Center-column cross-references
- Concordance
- Full-color maps

The Christian Standard Bible (CSB) text featured in this Bible is a reliable and readable text, staying as literal as possible to the Bible's original meaning without sacrificing clarity. The CSB's optimal blend of accuracy and readability makes Scripture more moving, more memorable, and more motivating to read and share with others.
